

Administrative users can update their NHA login details without additional help in these areas:

- Change in email address
- Name
- Change in physical mailing address or phone

To change your password or account affiliation, please use the [NHA Help Center](#)

Step 1: Log into your Candidate account at [NHANOW.com](https://nhanow.com).

Login / Account ▼

Step 2: Select your profile email link in the upper right-hand corner of your screen and select **profile**

youremail@email.com

Your Name

Profile

Logout

Step 3: Select the option(s) you need to update from the editable fields provided and select **Save Profile** at the bottom

Note: You cannot update your institution association or access level. Please connect with your NHA representative for assistance.
