

Candidates can update their NHA login details without additional help in these areas:

- Change in email address
- Change in organization affiliation
- Change in physical mailing address
- Military Service
- Personal Information

To change your name or password, please use the [NHA Help Center](#)

Step 1: Log into your Candidate account at [NHANOW.com](https://nhanow.com).

Login / Account ▼

Step 2: Select your profile email link in the upper right-hand corner of your screen and select **profile**

youremail@email.com

Your Name

Profile

Logout

Step 3: Choose the option to **Update Profile** in the upper right-hand corner

 Update profile

Step 4: Select the option(s) you need to update from the editable fields provided and select **Save Profile** at the bottom

Note: You cannot update your profile if you have an active application

Additional Information

Birth Date *

Gender

Primary Language

Ethnicity

NHA will send you helpful information as you prepare for your exam. To get the information you need when you need it, let us know your estimated exam date. This is your best estimate; it's ok if it changes:

I plan to take a certification exam. *

☐ Yes, I plan to get certified.

☐ No, I do not plan to take the certification exam.
